Organizations:

Research center

2000-present Research Center in International Economics - University of Washington
APEA 2006 – conference in Seattle July 29-30 – local committee co-chair

Professional

European Economic Association
American Economic Association

Editorial:

From January 2010 to July 2010, served as consultant on the Editorial Board of professors for the forthcoming book: Mishkin's *Macroeconomics, Policy and Practice* (an intermediate textbook) – worked on the entire book.

Refereeing:

Neal, Larry and Daniel Barbezat, *The Economics of the European Union and the Economies of Europe*, 1998, Oxford University Press

Reinert, Kenneth A., *Windows on the World Economy: An Introduction to International Economics*, for St.Martin's Press

Paper for *Resource & Energy Economics* published by Elsevier/North-Holland

Montiel, Peter, *International Macroeconomics*, for Prentice Hall.

Three chapters from Frederick Mishkin's new textbook: *Macroeconomics, Policy and Practice*.

Acted as a referee for the promotion of Dr. Mohammad Mahbobi from Senior to Principal Lecturer at the School of Business and Economics – Thompson Rivers University

Book Proposal by Ivan T. Berend "The European Union: A Century from its Genesis, Progress, and Crisis Towards the Future" for Routledge

Work in Progress:

Monograph on the *Economics of the European Union*. (updating and additions)

Services:

Department of Economics:

1990-1999 Director of Undergraduate Studies/Chair of the Undergraduate Committee.

Activities included:

Development of a new Degree in Economics: Bachelor of Sciences.

Development of new Certificates: Certificate in International Economics, Certificate in Economic Theory and Quantitative Methods, and Quantitative Certificate in Managerial Economics.

Redaction of an Undergraduate Report describing the achievements of the Undergraduate Program in Economics over the past ten years and suggesting future directions and endeavors for the program.

- Development of seven interdisciplinary options: Business Economics, Law and Economics, Natural Resource and Environmental Economics, International Economics, Public Finance, Development, and Labor Economics.
- Cooperation with the ACMS department in the development of an Option in Mathematical Economics within their BS program.
- Development of new courses: designing new courses or suggesting new courses for interested faculty to develop.
- Recruiting and overseeing for Honors Program - sending letters each quarter to the top students in the introductory classes.
- Faculty advisor to the Economics Undergraduate Board, e.g., coordinate their efforts with Course Description Bulletin, acquire reference material for Tutoring Center, supervise their various activities and publications.
- Coordination of End of Program Assessment project: designing and compiling the senior exit survey, creating capstone course, writing reports, etc.
- Interaction with advising and preparation of various brochures for undergraduates.
- Reviewing standards and curriculum with Undergraduate Committee, e.g., optimal statistical background for our students, distance learning courses.
- General services to department: e.g., keeping Courses Statistics, writing the Yearly Report on Achievements in the Undergraduate Program.

- 2000-2001 Member of Undergraduate Committee - involved in writing the strategic plan for the undergraduate program
- 2001-2006 Curriculum Manager – Member of the Undergraduate Committee
- 2001-2002 Coordinate the various Econ 301 sections; helped organize a new Certificate; put together a brochure “Preparing for and Applying to Graduate Programs”; honors recruiting project
- 2002-2003 Organized a Freshman Seminar in Autumn 2002 to promote our field; set up a faculty and undergraduate exchange with the International Program at Thammasat University, Bangkok, Thailand;
- 2003-2004 Set up an undergraduate and faculty exchange with Tilburg University in the Netherlands and with the Ludwig Maximilians University in Munich, Germany. Set up and organize the new Seminar Series in Effective Undergraduate Teaching.
- 2004-2005 Organized a Freshman Seminar on Economic Integration in Europe in Winter 2005 to promote our field.
- 2005-2006 Organized a Freshman Seminar on Current Issues in the Economy of the Pacific Northwest in Autumn 2005 to promote The Economic Policy Research Center. Setting up a new exchange with a French University – Aix Marseille II. Redesigning the curriculum for the Departmental Honors Program. Promoting the program to potential Honors students.
- 2006-2007 Designed and organized the new Honors Research Seminar (Econ 396). Put together the new admission and selection process for the Honors program. Coordination of the Honors program. Initiated new grading criteria for introductory and intermediate classes. Negotiated of a new foreign exchange program with Bolzano.
- 2002-2019 Study abroad coordination - Negotiate and oversee study abroad programs – latest with Hitotsubashi University in Tokyo, Japan in October 2015 - set up new equivalency policy

in the department and have it officially approved through the various University committee (e.g. impose residency requirement on some basic courses and limit number of non-UW econ courses that can count towards the major) – renew the various exchanges

2007-2018 Co-director of undergraduate program – co-developed and now administer the competitive major and the RTW entrance test - put together end-of-year undergraduate report - coordinate the various Econ 301 sections - participate in choosing end-of-year prizes - facilitate the introduction of new courses – help advisers with various undergraduate issues – oversee curriculum matters – oversee teaching matters: graduate students’ performance, grading consistency, academic integrity rules – participate in 10-year review effort – scrutinize other programs offering that have economics contents

2018-2020 Undergraduate Committee - worked on designing an option in data science and econometrics – advise the new directors of undergraduate studies when needed – identifying and writing letter of support for honors/scholarships (Burton Scholarship, Husky) – Econ 301 faculty supervisor - participate in choosing end-of-year prizes – RTW: writing 3 articles and lining up the proctors.

1990-2019 Faculty advisor to the Economics Undergraduate Board – advise, supervise, and facilitate their various activities and publications.

2013-2019 Director of the Honors program – recruit and select students, teach the first class (Econ 396) – coordinate with the other 2 classes in the program (Econ 496 and 497) – oversee program and facilitate Honors student experience - organizes students’ nomination for awards -

Jackson School – Department of European Studies:

1995-1996 Curriculum Committee Member.

1997 on Guest lecture to Euro 301 on a regular basis (Last in Spring 2018)
