ECON 399: Economics Internship
Employer Verification Form

For the Internship Supervisor or Employer: ECON 399 is a course offered by the Department of Economics at the University of Washington. This course allows students an opportunity to connect their economics-related internship experiences to the academic theory & concepts learned through the Department of Economics Undergraduate Program.

We request your assistance in verifying the following items, as they will be used by the student to produce an academic project/paper, supervised by a Department of Economics faculty member.

For the Student: Please provide the following information for your employer to review.
