Instructor: Jocelyn (Yun-Ling) Wang
Class Time: T/Th 6:30 to 8:20 p.m. DEM 004
Office: Savery 319F desk#5
Office Hour: 4 – 5 pm (Tues) and 10 – 11 am (Wed) or by appointment
Email: jocelynw@uw.edu
Course website: https://catalyst.uw.edu/workspace/jocelynw/37066/256418

You can either obtain an electronic version of the textbook or purchase it from the bookstore. You do need Aplia for the homework portion of this class.

Homework:
Below is the URL for accessing the Aplia in order to complete the homework portion of this class: http://www.cengagebrain.com/micro/1-1GDUU4T
You should be able to purchase the access code for Aplia through this website

Quizzes/Exams:
*I do NOT give out make-up exams and quizzes unless your excuse is absolutely legitimate. All your reasons have to be backed up with official documents. Even if your excuses are legitimate, I still reserve the right to not give out make-up exams and quizzes (ex I may simply give you the average of all other quiz scores in replace of your missing quiz).

The tentative plan currently is to have two exams and 4 quizzes. Exams are NOT cumulative; however, you do need to be familiar with the concepts from the first exam to be able to do well on the second exam

Tentative exam dates: (these dates will be confirmed a week or two prior to the actual exam)
Exam 1: May 7th (Tuesday)
Exam 2: June 6th (Thursday)

Rules about emailing me with class material related questions:
Unless you know that I can answer your questions (class material related) with less than two sentences, I prefer you come visit me during my office hours. It is usually a lot easier for me to answer your questions in person. If you cannot make it to my office hours, shoot me an email to schedule an appointment with me. I am usually pretty flexible with time.
Cheating
I have ZERO tolerance for cheating. I REALLY mean it!

Grades:
All the grades for your quizzes/exams will be shown on the catalyst website. Your grades for homework will be transferred from Aplia into the catalyst gradebook at the end of the quarter.

Homework: 15%
Quizzes: 15% (each is worth 5% of your grade, the lowest quiz grade will be dropped)
Exam 1: 30%
Exam 2: 30%
Participation: 10%

Tentative class schedule:
This schedule is strictly tentative. Depending on the speed of the class, I will regularly update the class schedule on the course website.

Week 1: Chapter 1, Chapter 2: the role of assumptions, positive vs. normative analysis

Week 2: Chapter 3, Chapter 2: The production possibility Frontier, Chapter 4

Week 3: Quiz 1, Chapter 4, Chapter 5

Week 4: Chapter 5, Chapter 6, Quiz 2

Week 5: Chapter 6, Chapter 7

Week 6: Exam 1, Chapter 8

Week 7: Chapter 10, Chapter 11

Week 8: Quiz 3, Chapter 13, Chapter 14

Week 9: Chapter 14, Chapter 15, Quiz 4

Week 10: Chapter 17, Exam 2
